Editorial Team of Indonesian Journal of Geography, Faculty of Geography, Universitas Gadjah Mada, Indonesia

Dear Editor of IJG,

I am submitting a manuscript for consideration of publication in Indonesian Journal of Geography. The manuscript is entitled “**Current Dynamic as a Driving Factor for Plastic Marine Debris and Stability in Indonesian Waters Based on Hydrodynamic Models**”. It has been approved by all authors, has not been published elsewhere and that it has not been submitted simultaneously for publication elsewhere.

This paper is expected to provide information on the role of the dynamics of ocean currents in the distribution of plastic marine debris that enters Indonesian waters based on the influence of global current circulation and seasonal currents in Indonesian waters.

For the purpose of reviewing my manuscript, I suggest the following reviewers:

1. Dr.-Ing. Widodo Setiyo Pranowo, Marine Research Center, Ministry of Marine Affairs & Fisheries. Email: widodo.pranowo@gmail.com
2. Dr. Andrew Harvey. Manta Watch Organization, United Kingdom. Email: andy@mantawatch.com
3. Charaf M'Rabet. National Agronomic Institute of Tunisia. Email: charaf.mrabet@gmail.com

Thank you very much for your consideration.

Yours Sincerely,

Engki A Kisnarti
