

COVER LETTER

Date: **December** 3rd, 2022

I am enclosing herewith a manuscript entitled “**The Contribution of Community Social Capital in Resolving the Environment: Case Study in Regional Landfill Area of Piyungan, Yogyakarta, Indonesia**” for publication in the journal of Indonesian Journal of Geography for possible evaluation. We studied the current development in the Piyungan landfill under social environmental perspective. Here is the highlight results:

- The life cycle of the landfill is sooner than expected
- Mardiko community has strong role as social capital to reduce the waste in the landfill
- It is proved that Mardiko community contribute about 20% of waste reduction.

The Corresponding author of this manuscript is E. Yuningtyas Setyawati and contribution of the authors as mentioned below with their responsibility in the research.

1. Maria T. S. Budiastuti (Department of Environmental Sciences, Sebelas Maret University)
2. M. Wijaya (Department of Environmental Sciences, Sebelas Maret University)
3. P. Setyono (Department of Environmental Sciences, Sebelas Maret University)

With the submission of this manuscript I would like to undertake that:

- All authors of this research paper have directly participated in the planning, execution, or analysis of this study;
- All authors of this paper have read and approved the final version submitted;
- The contents of this manuscript have not been copyrighted or published previously;
- The contents of this manuscript are not now under consideration for publication elsewhere;
- The contents of this manuscript will not be copyrighted, submitted, or published elsewhere, while acceptance by the Journal is under consideration;
- There are no directly related manuscripts or abstracts, published or unpublished, by any authors of this paper;

Submitted manuscript is **Research Article**

Date: December 3rd, 2022
