Dear Dr. Miftahul Ilmi,

I am pleased to submit our manuscript entitled **“Spatial Modeling Habitat Suitability of Javan Langur (Trachypithecus auratus É. Geoffroy Saint-Hilaire, 1812) in Bromo Tengger Semeru National Park East Java”** by **Ari Nadya Ningtyas, Nirmala Ayu Aryanti, Tander Scila Serata Dwi Susilo, Mahmuddin Rahmadana**, for consideration as a Journal of Tropical Biodiversity and Biotechnology research article.

In this manuscript, we show that Several important things related to spatial modeling of Javan Langur habitat suitability using several environmental variables. The readers can get information related to environmental factors that are important and determine the habitat of the Javan Langur in Bromo Tengger Semeru National Park in particular.

We believe that our paper is appropriate for publication by the Journal of Tropical Biodiversity and Biotechnology because our writing is related to the biodiversity in Indonesia, especially the Asian region. In addition, the Journal of Tropical Biodiversity and Biotechnology is an open access peer-reviewed journal dedicated to the publication of new research related to the advancement of tropical biology studies in the Southeast Asia Region. I believe that through publication in this journal my writing will provide information and knowledge for readers. I really hope that with the green light so that my manuscript can be published, I am sure that my manuscript is also in accordance with the scope of the journal and please consider it for publication.

This manuscript has not been published before and is not being considered for publication elsewhere. Please address all correspondence regarding the manuscript to me at arinadyaningtyas@gmail.com.

Thank you for your attention. I really appreciate your willingness of time and look forward to your response.

Thank you for your consideration.

Sincerely,

Ari Nadya Ningtyas
