

PROCEEDINGS Jogja Cardiology Update 2023
in Conjunction with The Sixth Jogja International CARDiovascular TOPic Series 2023:
Scientific Breakthrough in Heart Rhythm Disorders

“Integrating Technology in Cardiovascular Disease Management: Towards A Harmonic Fusion”

Advisory Board Members:

Bambang Irawan
Budi Yuli Setianto
Hariadi Hariawan
Irsad Andi Arso

Executive Committee

Chairperson: Anggoro Budi Hartopo
Vice chairperson: Vita Yanti Anggraeni
Secretary: Dyah Samti Mayasari
Treasurer: Lucia Kris Dinarti
Sponsorship: Hendry Purnasidha Bagaswoto

Scientific Committee

Chairperson: Fera Hidayati

Abstract and Proceedings Committee:

Chairperson: Muhammad Gahan Satwiko

Editors:

Fera Hidayati
Muhammad Gahan Satwiko

Reviewers:

Anggoro Budi Hartopo
Dyah Samti Mayasari
Ferah Hidayati
Muhammad Gahan Satwiko
Salvatore Di Somma

Cover Design: Utara Vиви

Table of Contents

Credit	1
Table of Content.....	2
SYMPOSIUM	5
i. Biomarker Profiles and Pathophysiological Pathways in Patients with Chronic Heart Failure and Metabolic Syndrome – Anggoro Budi Hartopo	5
ii. The Role of Angiotensin-receptor Blocker and Neprilysin Inhibitor (ARNI) in the Treatment of Heart Failure – Anggoro Budi Hartopo.....	8
iii. Tailoring Antiplatelet Therapy for Patients with Antiplatelet Resistance – Budi Yuli Setyanto	11
iv. Renal Support in ICCU: Focusing on Continuous Renal Replacement Therapy Management - Hendry Purnasidha Bagaswoto.....	14
v. When to Put Implantable Cardioverter Defibrillator in Channelopathy and Infiltrative Cardiomyopathy - Muhammad Yamin.....	17
vi. Platelet Activation Pathway in Guiding Antiplatelet Therapy on Cardiovascular Disease (CVD): Is one superior to the others? - Arditya Damar Kusuma.....	25
RESEARCH, SYSTEMATIC REVIEW, AND META ANALISYS ARTICLES.....	29
i. Is Myocardial Iron Overload Still Relevant as The Main Pathophysiology of Heart Failure in Thalassemia Major? A Systematic Review and Meta-Analysis - Amalia Nindya Ayuputri	29
ii. Description of Neutrophil Lymphocyte Ratio (Nlr) in Coronary Heart Disease Patients at Haji Adam Malik General Hospital - Dedy Maulana	33
iii. Serum Creatinine and Coronary Plaque on Atherosclerosis, More or Less? - Digita N. Yudharaputri.....	37
iv. Correlation Between HbA1C, TG, and LDL Levels with Angiography Results in CHD Patients at Telogorejo Hospital Semarang - Florentina Dewi Pramesuari	42
v. Tolvaptan Add-on Therapy for Diuretic Resistance Heart Failure (DR-HF): Systematic Review and Meta-analysis - Dhimas Satria Adhi.....	47
CASE REPORT	56
i. When is the Appropriate Time to Perform a Right-Sided Electrocardiography Examination on Syncope Patients? An Emergency Case Report - Alfreda Amelia Khotijah.....	56
ii. Peripartum Cardiomyopathy and Massive Transfusion Due to Post-Partum Hemorrhage: Was it Associated Each Other? - Amelya Armadani	60
iii. Early Surgery in Complicated Infective Endocarditis: To Accelerate is to be Appropriate - Anette Mutiara Pardede	64

iv.	Acute Upper Limb Ischemia in Electric Cigarette Smoker: A Case Report - Anjani Wima Chairunnisa	69
v.	Myocardial Injury Related by Vivax Malaria: A Case Report - Azizha Ros Lutfia	72
vi.	Tachy-Brady Syndrome in Acute Coronary Syndrome. How to Treat? A Case Report - Bayu Adhitya Wicaksana.....	76
vii.	Bromocriptine in the Therapeutic Management of Peripartum Cardiomyopathy: Case Report – Kusumanti.....	79
viii.	What Happens when STemi Patients are not Reperfused? - Cornelia Ancilla	83
ix.	A Case Report: A Challenging Diagnosis of Acute Myocardial Infarction in A Patient with Atypical Symptom and Right Bundle Branch Block - Damarjati Hening Pradipta.....	88
x.	Asystole, The Forgotten due to Hypokalemia - Faisal Hafidh	92
xi.	Abnormal ECG with loss of consciousness - Faisal Hafidh.....	95
xii.	ST-segment elevation following electrical injury: Is it Myocardial Infarction? - Fitri Ramadhinta.....	99
xiii.	In-hospital Course of Acute Coronary Syndrome Patients: The Role of Active Lifestyle - Fitri Ramadhinta.....	104
xiv.	Symptomatic Total Atrioventricular Block in Teenager: A Rare Case - Fitriahati Setiyarizki.....	109
xv.	Atrial Septal Defect with Paroxysmal Atrial Tachyarrhythmia in Middle Age Soldier Patient: A Case Report - Ford Ance E. Aritonang	113
xvi.	Successful Management of Malignant Arrhythmia Complication on Peripartum Cardiomyopathy at District Hospital - Laras Prasasti	119
xvii.	A Neglected Ventricular Septal Defect (VSD) Case Developing to an Eisenmenger’s Syndrome Coincide with The Left Ventricular (LV) Thrombus in Child Having Down Syndrome: What is The Missing Piece? - Marna Septian.....	124
xviii.	A Case Report of Atrial Fibrillation in Cases of Hypertensive Emergencies and Acute Decompensated Heart Failure: What is The Most Common Cause? - Afief Mulyawijaya	128
xix.	Severe Cefalgia and Ischemic Stroke in Young Male Patient. When Should a Cardiologist Think of Patent Foramen Ovalle Related Cause? A Case Report – Nanda Nurkusumasari.....	133
xx.	Wide Complex Tachycardia Due to Hypocalcaemia in Acute Heart Failure Patient: A Case Report - Rahimatul Fadillah.....	136
xxi.	Atrial Flutter with 5:1 Conduction High Degree AV Block Developing into Complete Heart Block in Inferoposterior STEMI: A Rare Case Report - Rifqi Rizkani Eri	139

xxii. Diagnostic Challenges in A Rare Case of Simultaneous/Synchronous Cardio-Cerebral Infarction with Right Bundle Branch Block as the Masquerade: A Case Report - Untung Riawan	143
xxiii. Cardiac Involvement of Leptospirosis Presenting with Atrial Fibrillation - Yasmin Noor Afifah	149
